

THE DOME

Presented By The Senior Class Of

Pittsfield High School

Pittsfield, Massachusetts

1975

Foreword

Since the spring of '74 the Dome staff has worked at presenting a yearbook for our class. Our goal was to create a book that would bring back fond memories in future years. We hope that the following pages will have a message for everyone, a message that will remind us of the good times and valuable experience we had during our three years at PHS. We wish everyone the best of luck!

Dedication

Mr. Reagan,

What can we say? What can we say to someone who for three years has always been there when we needed him? Who faces a "crisis" head on and licks it? Who is always full of pep and optimism? Who works long hours after school when we need his help?

We would like to say thank you. We really appreciate your faith in our class and to show our thanks we'd like to dedicate this book to you.

The Builders

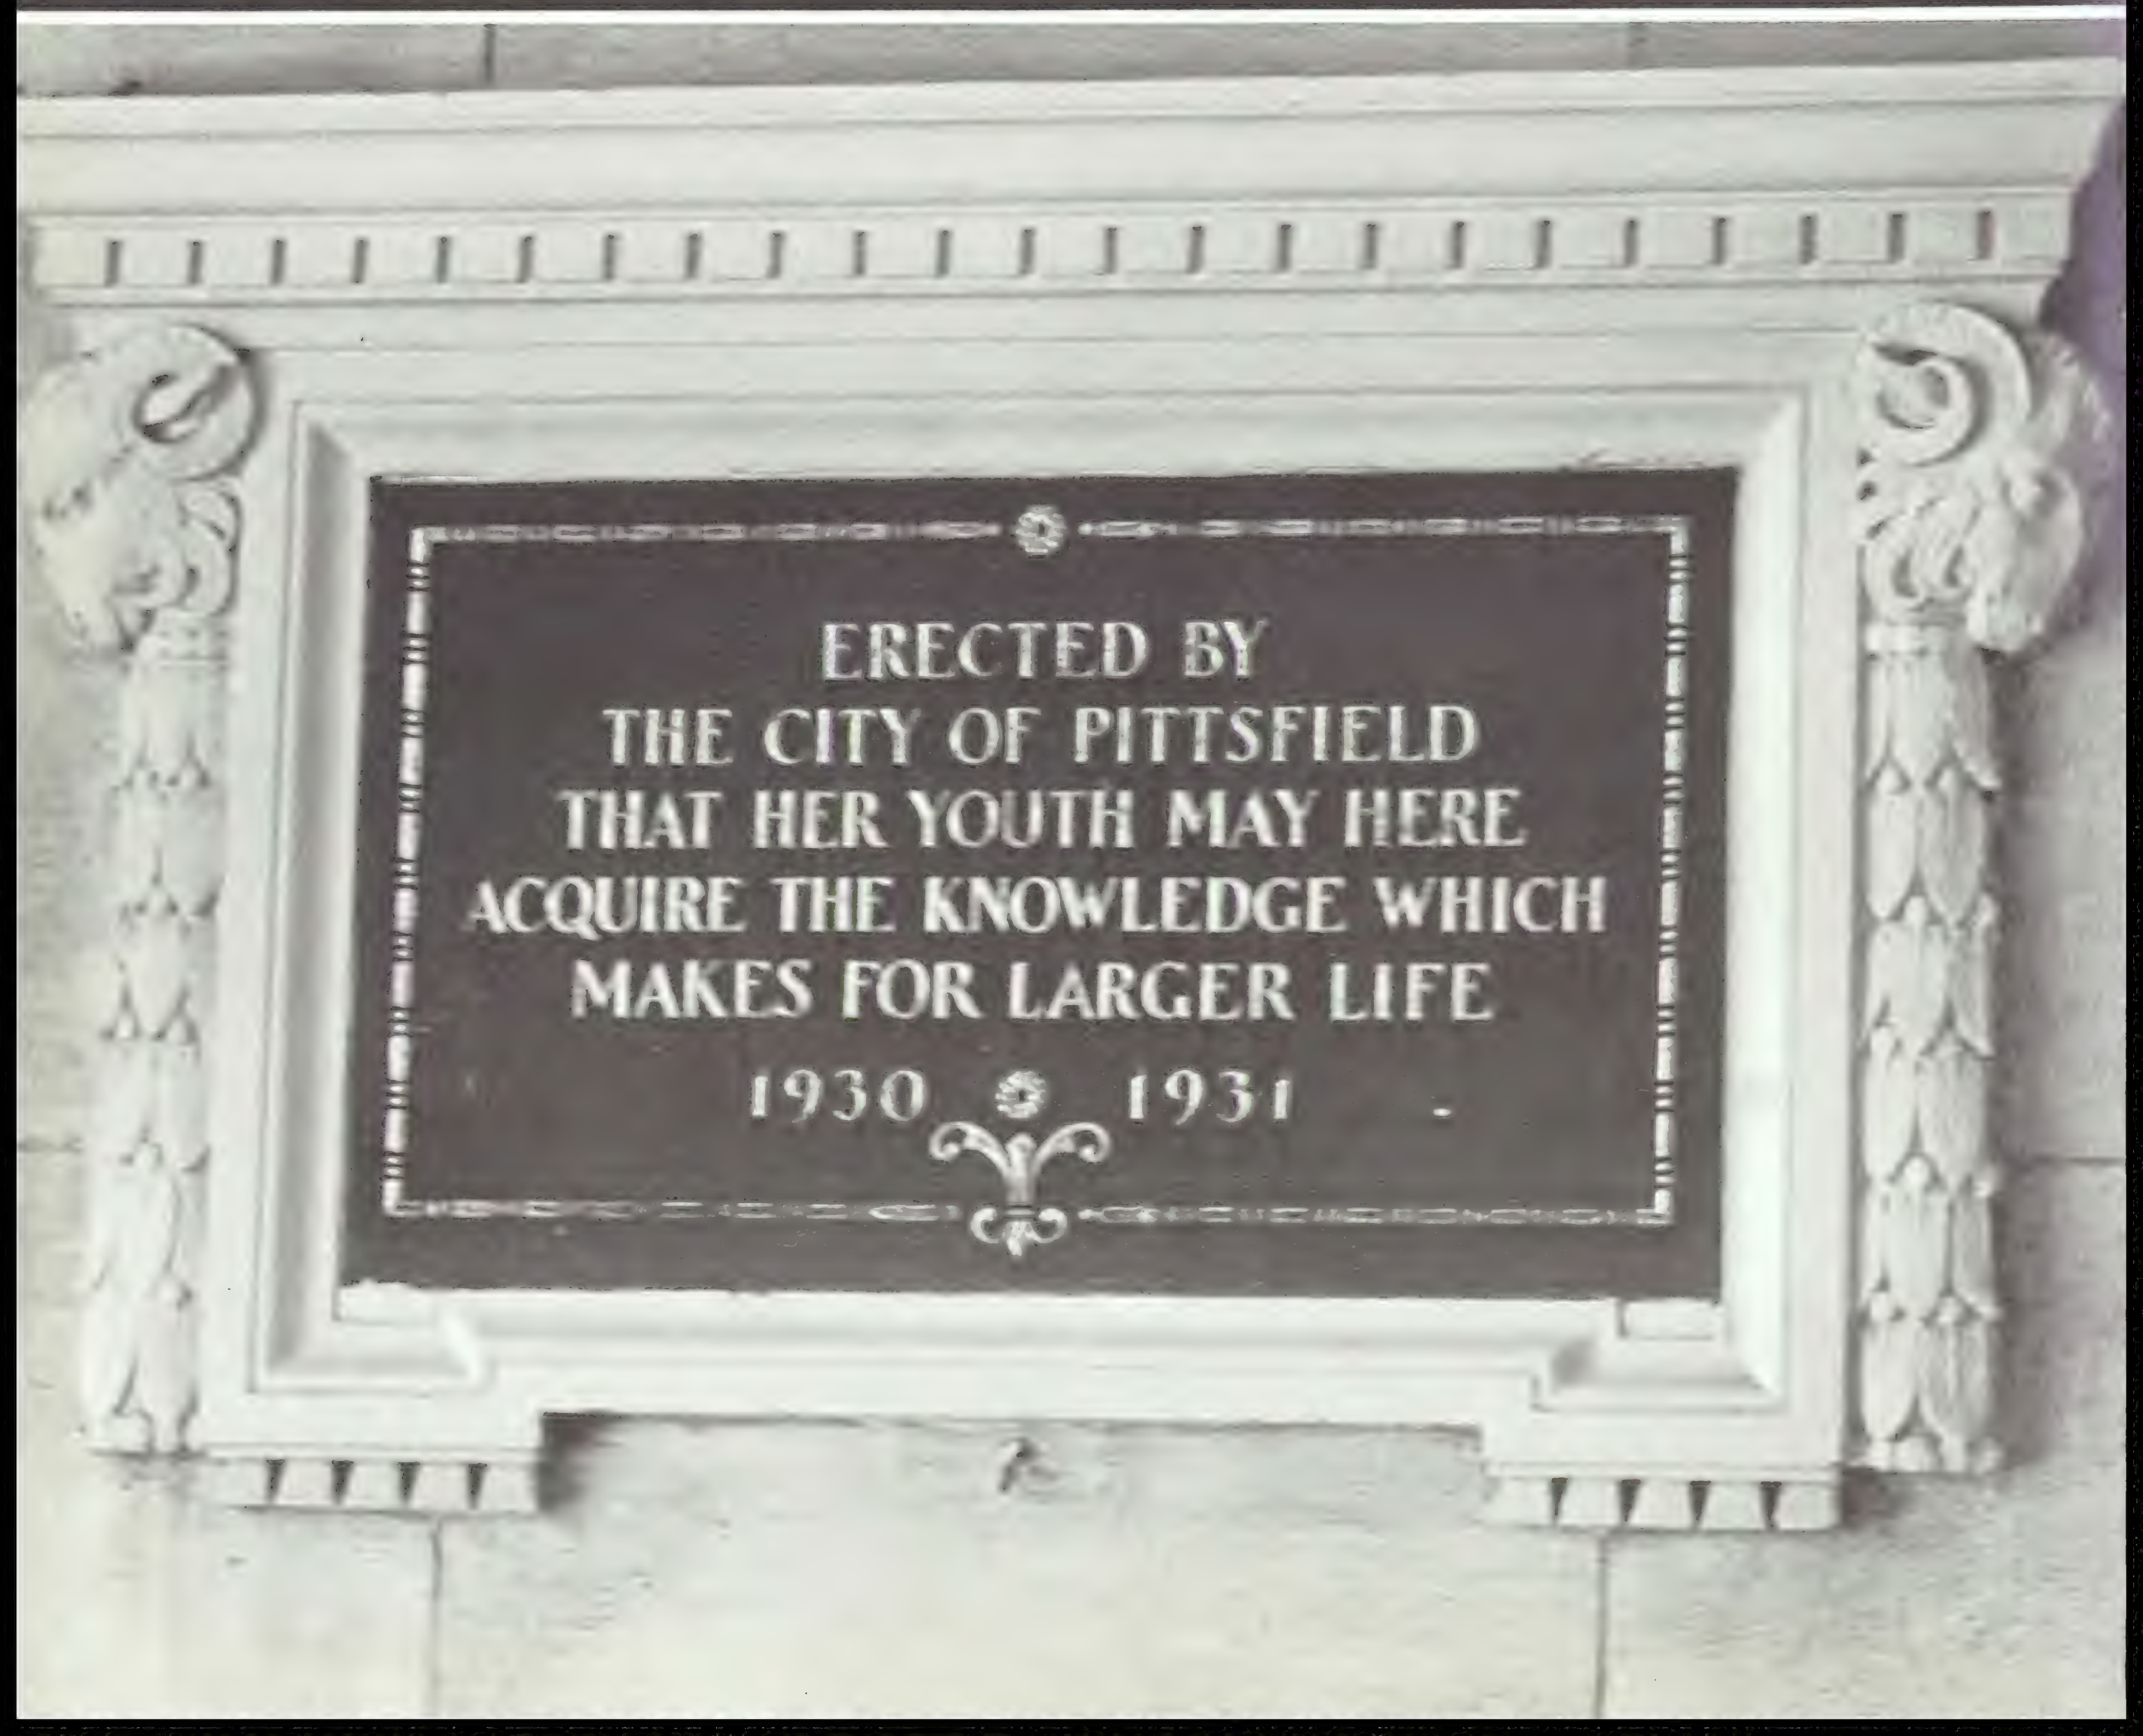

Henry Wadsworth Longfellow

All are architects of Fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme.

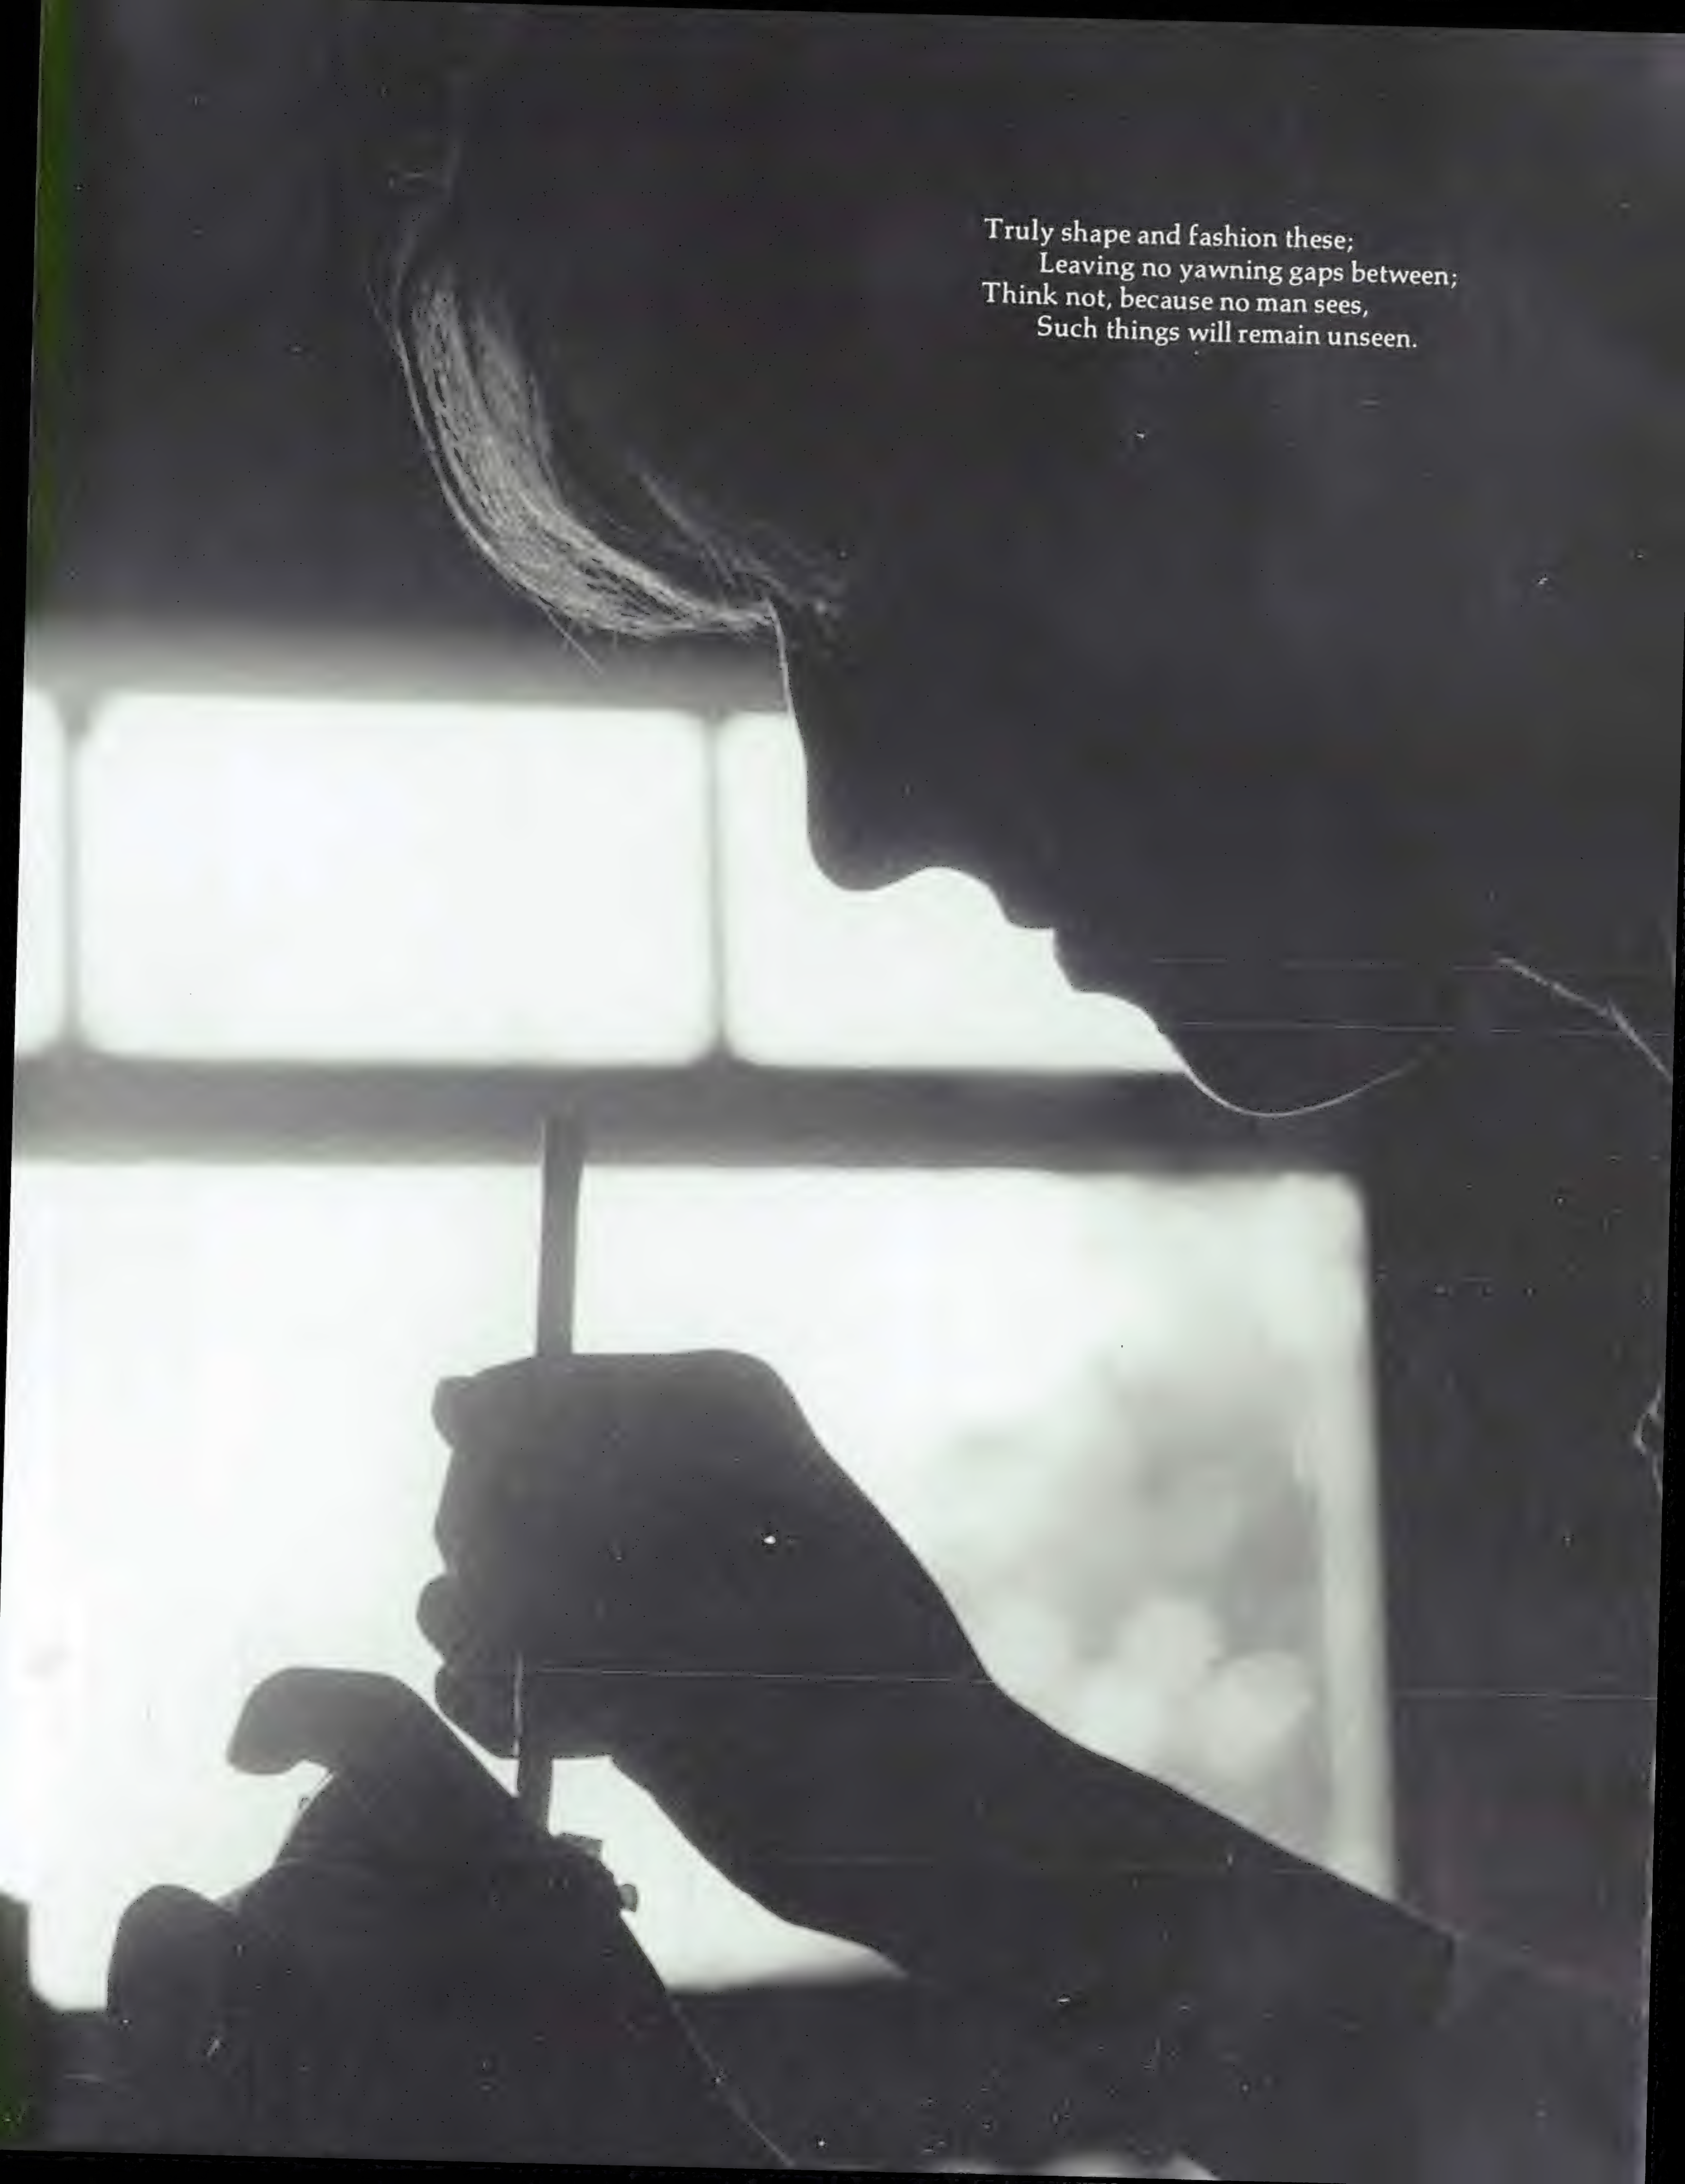

Nothing useless is, or low;
Each thing in its place is best;
And what seems but idle show
Strengthens and supports the rest.

For the structure that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build.

ERECTED BY
THE CITY OF PITTSFIELD
THAT HER YOUTH MAY HERE
ACQUIRE THE KNOWLEDGE WHICH
MAKES FOR LARGER LIFE

1930 1931

Truly shape and fashion these;
Leaving no yawning gaps between;
Think not, because no man sees,
Such things will remain unseen.

In the elder days of Art,
Builders wrought with greatest care
Each minute and unseen part;
For the gods see everywhere.

Let us do our work as well
Both the unseen and the seen;
Make the house where gods may dwell
Beautiful, entire, and clean.

Else our lives are incomplete,
Standing in these walls of Time,
Broken stairways, where the feet
Stumble, as they seek to climb.

Build today, then, strong and sure,
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.

Thus alone can we attain

To those turrets where the eye

Sees the world as one vast plain,

And one boundless reach of sky.

What's that? You mean this is the wrong way?

Let's backtrack a bit.

I have no inkling of what is going on at the present.

How sweet it is.

I believe we made an important discovery.

Hmmm, ve-ry suspicious.

Dear Lord: Please get me off the bench.

The pursuit of knowledge.

You tickle my fancy.

You expect me to believe that?

Just takin' it easy.

I believe they're trying to poison me.

It'll be O.K., Marge.

Field Hockey

More than a few brilliant players led by Co-Captains Julie Campoli and Sarah Harrnigton made the fledging P.H.S. girls Field Hockey team a formidable opponent to many veteran teams with considerably larger forces. The win-loss record the girls compiled however, is less impressive than the skillful new team in action.

The P.H.S. football team compiled an excellent 7-0-1 record to finish in a tie in the county and city championships. (along with x-country and soccer it gives P.H.S. 3 city and 3 county fall championships.) While the team made a fine showing there were also many fine individual performances as is reflected by the fact that we had 7 players selected for the All-Western Mass. team. They were Steve Kerr, Dick Fields, Pete Brown, Charley Johnson, Gary Davis, Bill Eulian, and Rick Pearce.

The P.H.S. Harriers proved to be quite impressive in their first year in existence by taking the city and county championships. Under the leadership of Coach Gary Curry they were able to take the county meet by nosing out defending county champion Hoosac Vally, 55-56. Led by tri-captains Brad Herder, Roger Kovary, and Rick Morris who finished 7th, 21st and 27th respectively, P.H.S. took a 6th in Western Mass. Mike Tornicelli also played a vital role in the teams performance all year long.

Brad Herder won 16 of the team's 18 meets, took individual honors in a field of 70 in the county meet and also was the team's sole qualifier for the States with a 7th in the Western Mass. meet.

The P.H.S. Soccer team had an excellent year, compiling a 12-3-2 record and also winning the city and county championships. Along with a fine team record they were able to place 4 members on the All Berkshire County. On that team are Jay and Greg Sacchetti, Winston DiNicola, and Ron Hatch. They were ranked 7th in Western Mass.

The PHS Swim Team compiled a fine record of 7-3 this season. Although a young team, coached by a rookie coach, some fine performances were turned in. Senior co-captains Bill Della and Mike Descz, along with David Pryde, all won a great majority of their races often in excellent times. In Western Mass, a medley relay consisting of Descz, Della, Pryde, and Mark Peronto captured 6th place setting a new school record. Mike Descz was the only individual placing, coming in 8th in 100 yards backstroke.

Even though the PHS Ski Team got off to a late and confused start due to the change of coaches, they had an excellent season this year. Under the direction of coach Ron Patti, who led past teams to the Interscholastic Championships, and the leadership of co-captains Randy Nickerson and Roger Kovary, the team placed third in the Nordic competition in the Interscholastics, (which is equivalent to a third in Western Mass.) and fourth overall for the season.

Co-captains for the girls ski team were Carolyn Bryzienski and Elizabeth Cross. Standouts for the team this year besides the captains were: Seniors Brad Herder, John Beischel, Bill Godfrey, Juniors. Gary Ettinger, John Koch, Dan Clark, and Dick Rusk. Standouts on the girls team include, besides the captains, Ginger Jenks, Caroline Jalbert, and Joanne Curd. We look for a great season next year.

This year's hockey team had another excellent season, taking second place in the Hennessey Division and compiling a 13-2 record. Their fine performance earned them the number 1 seed in the Western Mass. Tournament. We also had fine individual performances from many players, including the 1st, 3rd, and 4th scorers in the league. They were Ray Broderick, Mark Viale, and P. J. Murphy.

City zoo? You're close!

You mean the rally is over?

Girls, the lucky number is . . .

On man, I think I should have studied!

Does anybody have a Kleenex?

Look, Ma! No hands!

Activities

Homeroom Reps.—Two students from each homeroom determined to keep their homerooms informed and up to date on their dues.

Debating Club— First debator—The Debating Club is great.
Second debator—No, they're fantastic.
First debator—Mr. Pierce is the fearless advisor of the Debating Club.
Second debator—I'll agree with that!

Chess Club—Mr. Bianchi, Mr. Vincelette, and Mr. Biggs led this group of masterminds to a 2-9 record.

Student Gov't.—The politicians of tomorrow, under the guidance of Mr. Lizotte, opened new doors for the student body.

Madrigals & Singers—Noted for their harmony, the Madrigals, a superb singing group performed throughout the city at various functions.

Pep Club—Under the direction of rah-rah-girl, Kathy Gloria, the Pep Club celebrated the victories of our shining athletes.

Tutor Aides & Middle School—An industrious group of students who devoted study periods to the advancement of our youth.

Band—Mr. Hammel led the Band this year to unprecedented glory in music-making.

G. A. A.—The Girl's Athletic Association, presided over by Sue Osthoff this year, is always good for fun and games.

Senior Activities—The group of students, often to be found milling about the Activities' Room, is devoted to making the Class of '75 the best ever.

Yearbook Staff—An exemplary crowd, the Yearbook staff promises that the yearbook of '75 will rank with the best of them.

Audio Visual—The Audio Visual Club has been active in the past year. They have worked hard and will indeed be an asset to future communication systems.

Doctor Whalen's Advisory Committee—Dr. Whalen's Advisory Committee has been of great service to P.H.S. in the past year. This committee has been instrumental in setting up a good rapport between students and the administration.

Deca—The Distributive Education Club of America has been very successful in the past year. They participated in a candy sale and have prepared many students for profitable careers in distribution and marketing.

E. C. C.—The newly formed Energy Conservation Corps is part of a national organization designed to promote the careful and non-wasteful use of energy in the home and the school. It is hoped that the eventual result of the group's efforts will be a total energy conservation ethic in the community.

Office Aides—This group of dedicated girls has helped to keep the office running smoothly.

We have been through much together—much that molded you into the Class of 1975, a group of people that PHS will not see the likes of again.

I wish to thank you for allowing me to be a part of your class and thank you for all of the wonderful memories you have left behind.

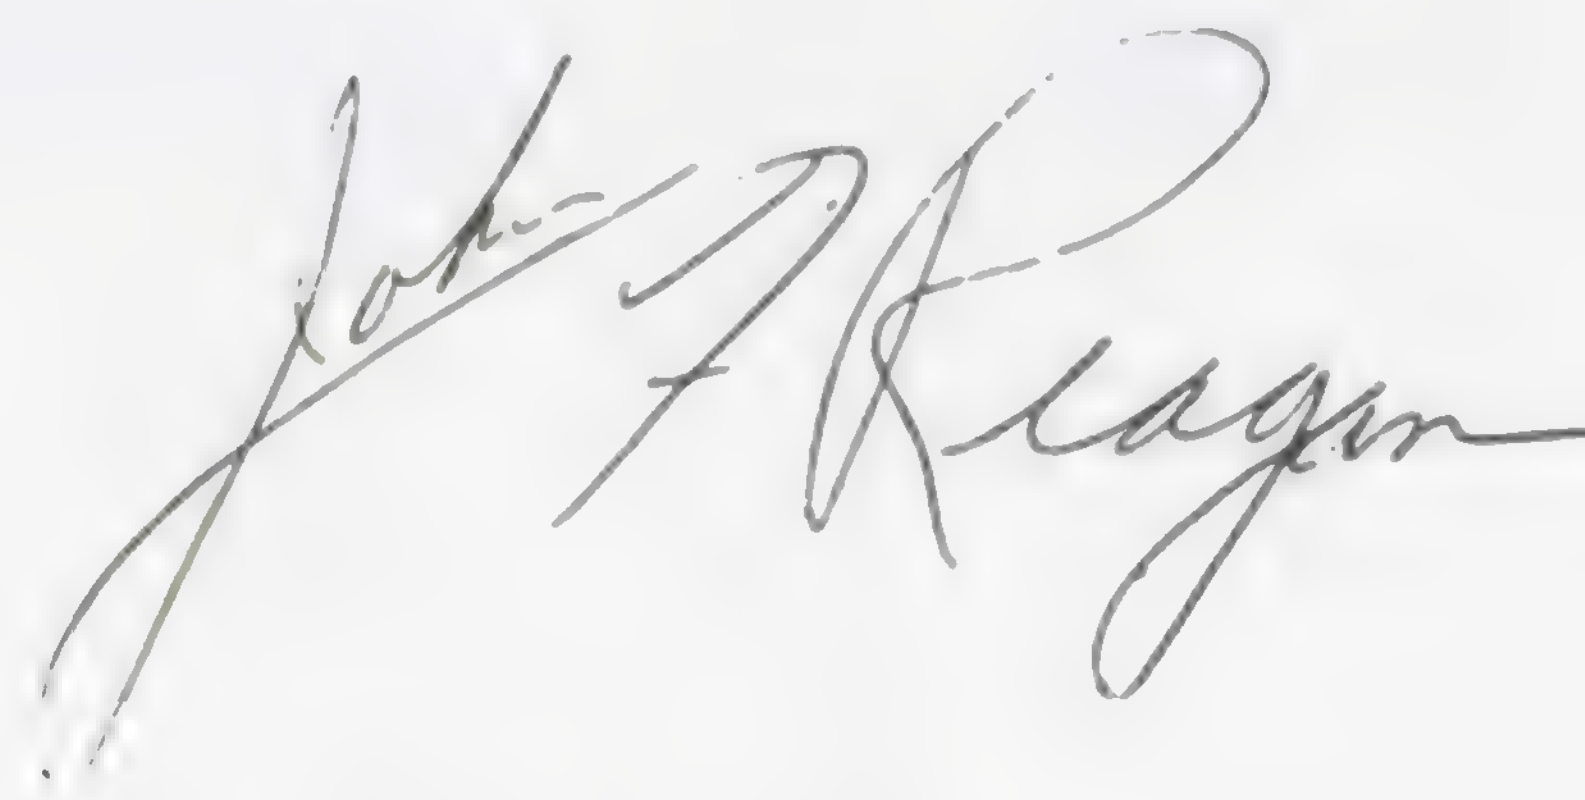

So—to a marvelous, happy, wonderful group, I salute you—The Class of 1975.

Don't walk behind me—I may not lead.

Don't walk in front of me—I may not follow.

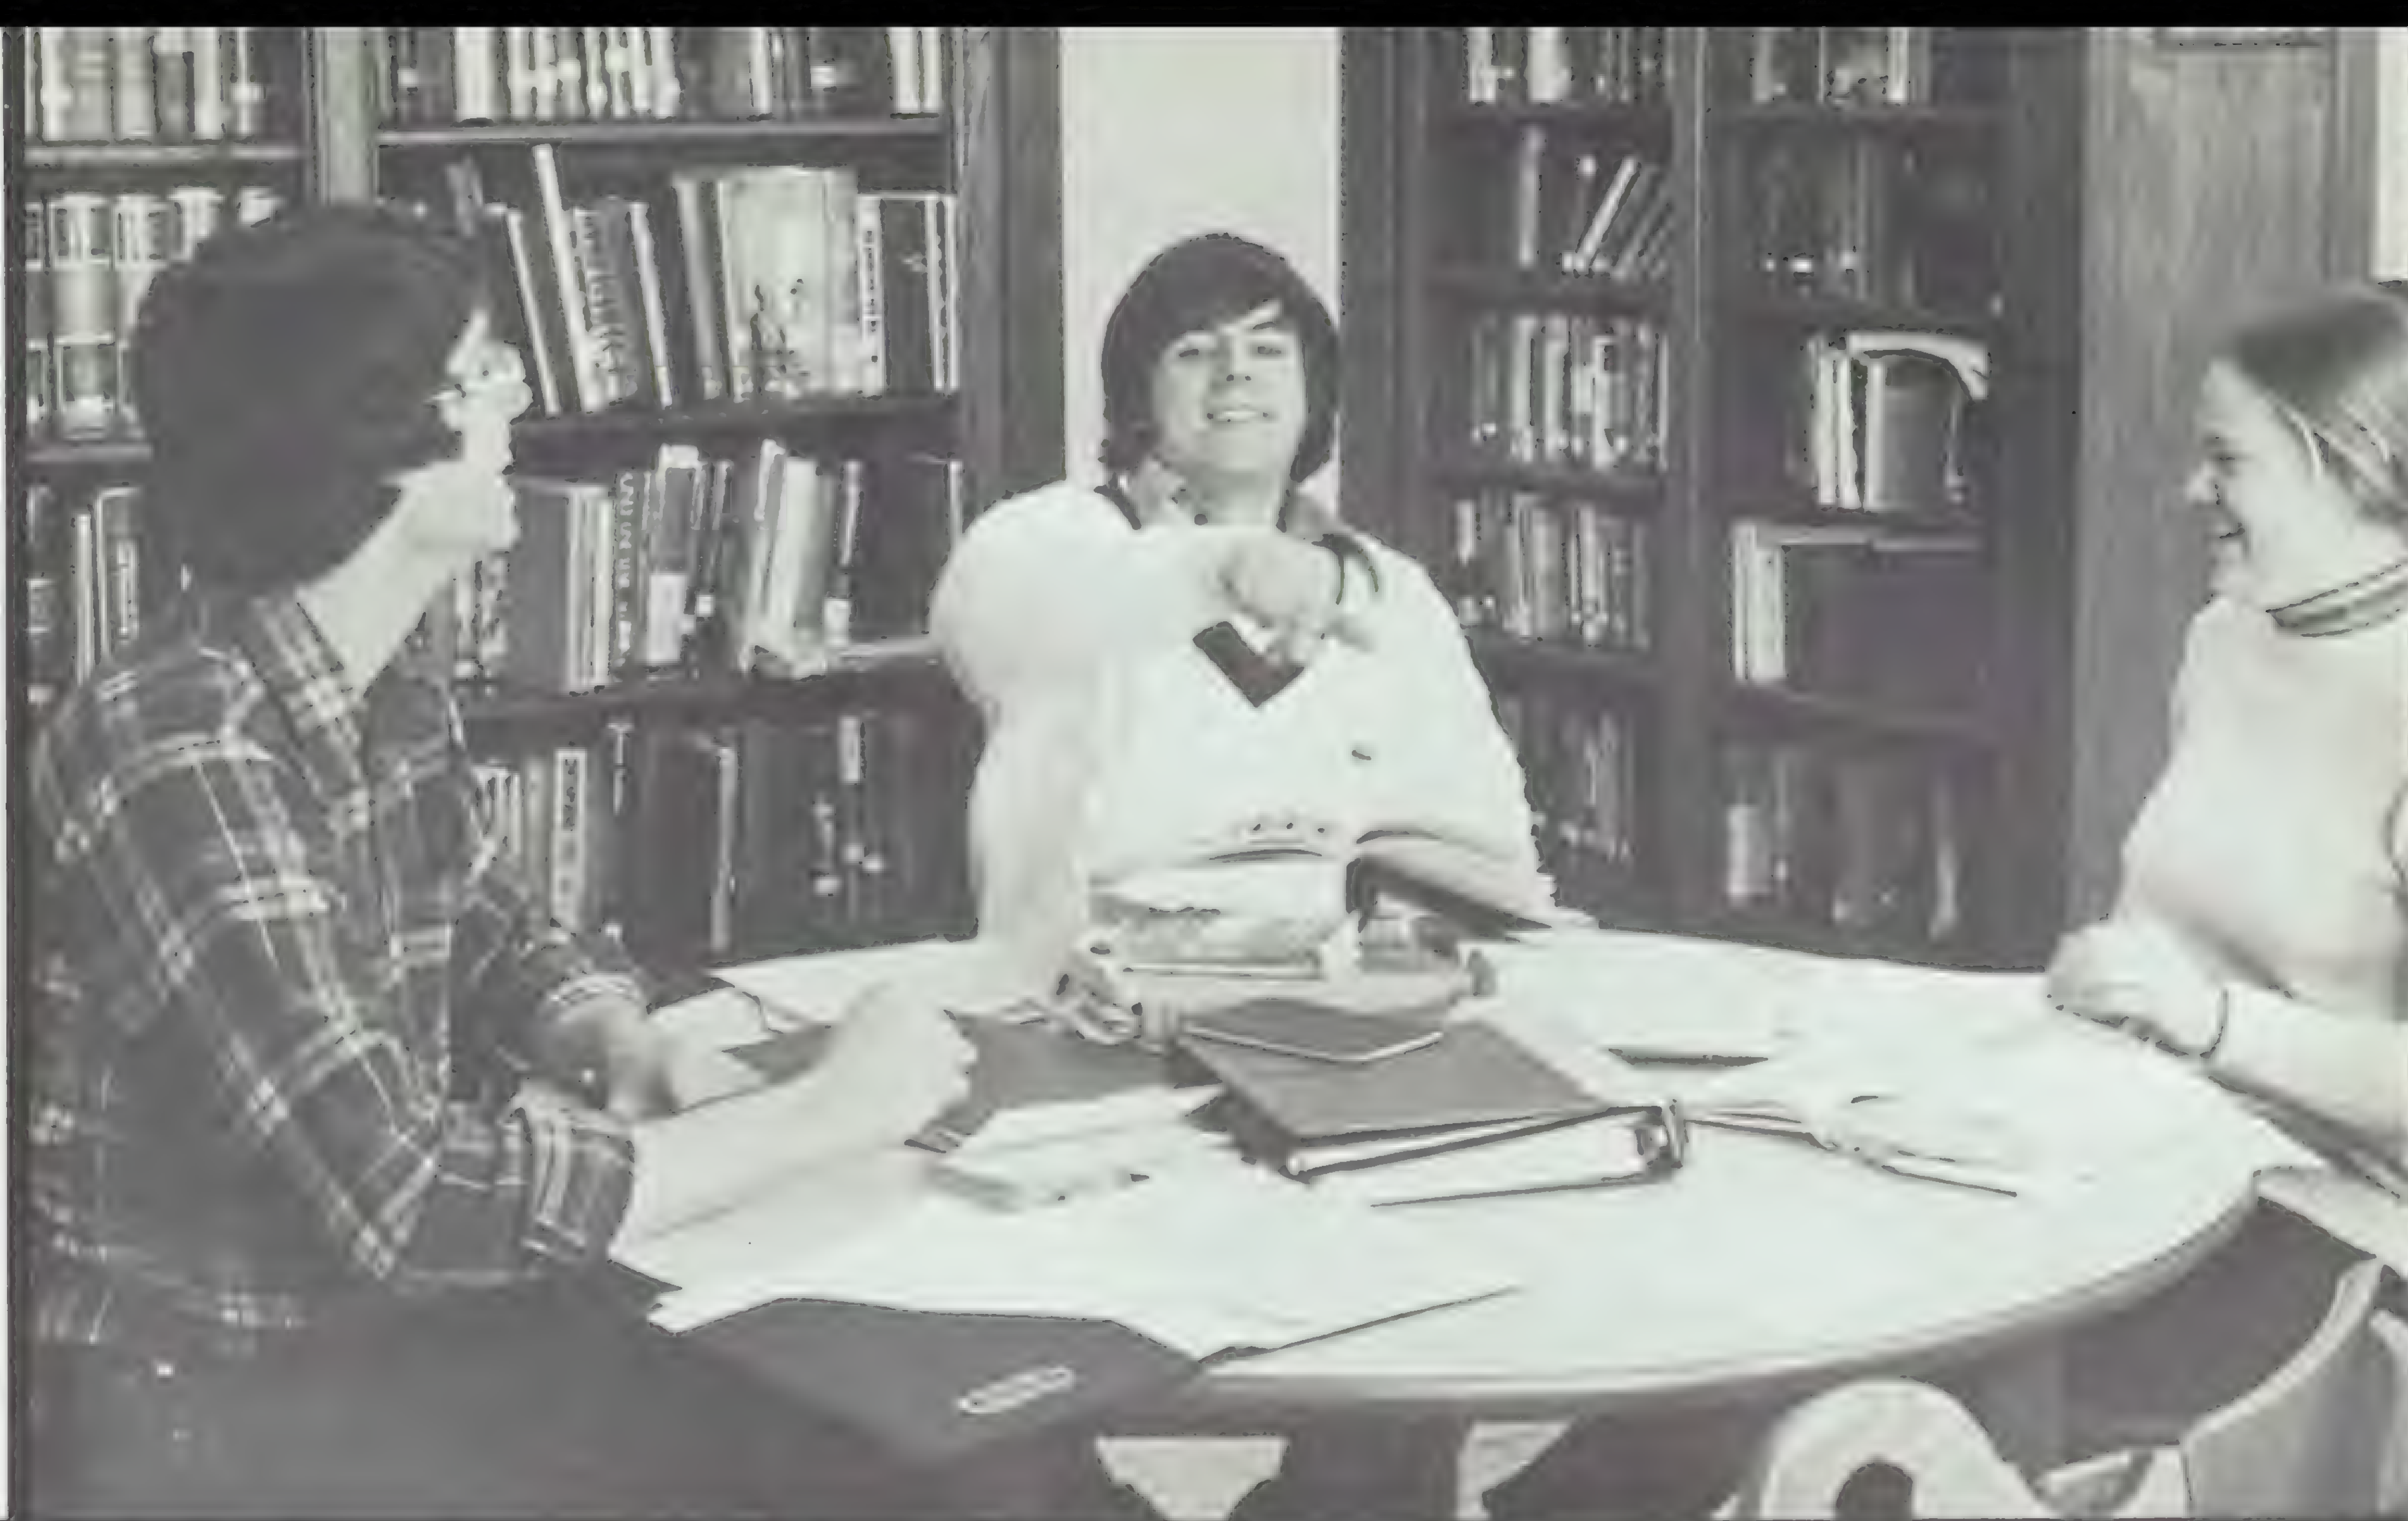

But let me walk beside you and be your friend.

Thank you all for all of it—the work, the laughs, the joy, the fun and the memories. To each and every one of you—the very best.

**"...only the wealthy
can afford to
burn candles."**

Edison Prediction—1879

Almost one hundred years ago, after many experiments and long research, Thomas A. Edison brought light to the first successful incandescent lamp.

But that wasn't the end of the quest for the great inventor, whose program for progress brought about the early industrial forerunner of General Electric as we know it today.

"Just wait a little while," said Edison in 1879, "and we'll make electric light so inexpensive that only the wealthy can afford to burn candles."

Edison's great quest is still being carried on by General Electric, and is being expanded daily to the remotest corners of the world through the able efforts of public utilities everywhere.

Today thousands of men and women at General Electric and in other branches of the electrical industry are seeking new things in light and power; in the nuclear field; plastics and in electronics for the betterment of mankind. Many modern day Edisons live right here in Pittsfield.

Why not consider a career opportunity with GE yourself. A good place to work . . . after high school . . . after college.

A black and white photograph of a woman sitting on a ledge in front of a brick building. The woman is wearing a patterned dress and is looking down at something in her hands. Above her is a decorative lantern with a scrollwork frame. The building has multiple windows, some with multiple panes. The overall tone is nostalgic and appreciative.

THANKS MR. MAIORANO!

Alma Mater

Guardian elm trees cast their shadows

O'er thy ivied walls;

Sons and daughters ever loyal

Throng thy honored halls.

Pittsfield High School, Pittsfield High School,

Alma Mater dear,

Help us to preserve thy honor

Through each coming year.

You went away much too soon,
Your young life it was just starting to bloom.

Lynn Russell

I remember your smile and laughing eyes,
Your long brown hair, blowing in the wind.
How much I miss you, words cannot say,
But I know we'll be together again someday.
